REMARKS

The Notice to File Missing Parts of Application indicates that the oath or declaration is unsigned. In response, applicants submit as **EXHIBIT 2** a signed Declaration and Power of Attorney. In compliance with 37 C.F.R. §1.63, the Declaration refers to the application's above-identified serial number and filing date. Applicants note that the signed Declaration and Power of Attorney names more than ten patent practitioners. In accordance with new 37 C.F.R. §1.32(c)(3), effective June 25, 2004, applicants also attach hereto as **Exhibit 3** a Communication in Accordance with 37 C.F.R. §1.32(c)(3), identifying nine patent attorneys named in the power of attorney who are recognized by the Patent Office as being of record in the subject application.

No fee, other than the \$65.00 surcharge for filing an oath or declaration on a date after the filing date of the application and the \$1040.00 fee for a five-month extension for a small entity under 37 CFR §1.136, is deemed necessary in connection with the filing of this Communication. Accordingly, a check is enclosed for \$1105.00. However, if any additional fees are required, authorization is hereby given to charge the amount of such fees to Deposit Account No. 03-3125.
